Membership and Recruiting  
Grand York Rite Bodies of Florida

## **Learning How to talk about The Fraternity**

Members of our Great Fraternity are very good at talking about Freemasonry and its appendant bodies - but only with each other. Once we get out in public, we have a tendency to clam up and become unsure of ourselves.

We have explored some of the reasons we are afraid to talk about. We have explored various myths and concerns. Now has come the time to learn to talk about it.

Every day, we have many opportunities to talk about Freemasonry and what it means to us. It may come in the form of a question by a stranger, a co-worker or a friend. The question of membership will often be initiated by someone else, giving you a wonderful opportunity to share an organization that has been important to your life.

Most people's questions are not hostile, although sometimes we respond as if it is. If we interpret questions as curiosity, we can deal with them in a rational and friendly manner.

I remember once a lady commented "Oh you must be one of those Mason guys" after seeing an emblem on my van. It led to many years of discussion about the Fraternity, and has helped many fellow (and non-Masonic) pastors have a greater understanding about what Freemasonry is all about.

Now is the time for you to add to our discourse. At the end of this exercise, you will find six (6) questions. Spend some time writing your answers. At the very end of this section, you will be able to write a short statement (25 words or less) defining Freemasonry, OES or any other appendant body.

Why such a short statement? Because when people ask questions, they are not necessarily looking for long, drawn out explanations. Time is valuable, and most want to get as much information as possible. When they are interested in learning more, you can go into more detail.

This exercise will allow you to be more direct and open, and feel comfortable expressing your feeling and knowledge about the Fraternity.

1. Why did you join the Fraternity?
2. What has Masonry (or an Appendant Body) done for you?
3. What benefits have you derived from your membership?
4. In what ways has it made you a better person?

5. What has the ritual taught you?
6. Why should a person consider joining the Fraternity?

**The Fall festivals are over and, we are now preparing for the Spring festivals. The success of our festivals has been excellent in that we knighted 136 new knights, this year. WE have had the best year in several years, with a total of 135 or 35 over last year. Now we need to put them to work and keep them. Great job!**

**We can then begin planning for our Spring festivals. Let's continue our efforts and began the process of bringing new brothers into our bodies. Allow them to take a seat and participate in the leadership of the body. If all seats are filled, encourage them to get involved in the ritual work as part of a degree team, but let them know that they are needed.**

**Note: If any York Rite Bodies plan weekend festivals, Short of Time or Slow Classes, please let me know, with the date, time, location and contact person, for the Spring of 2020 and I will put it in the January newsletter, and on the website. Remember, Membership and Retention is everyone=s business.**

**There is no substitute for an all-out campaign to strengthen and build our membership.**
