Membership and Recruiting

### **Building Active Members**

PART THREE

Companions and Sir Knights,

Initially, you may be doing almost everything by yourself (depending on the health of your York Rite Body) but you need to expand the workload over a wider base. Moses in Exodus 18:13-27 was trying to do it all, but it was overwhelming him. Moses was initially burning out from doing everything for the children of Israel. Jethro, Moses= father-in-law advised him to pick some competent elders who could assist him, thereby spreading the workload over a greater number of people.

Remember, you can only do so much. You will also burn out if you try to do it all. If you want to build an effective York Rite bring others on board.

1. **HOLD REGULAR OFFICER MEETINGS** - Your officers are the key to building a successful York Rite Body. Informal meetings held on a night other than your regular meeting night helps to build comradery. If possible, meet anyplace other than the lodge hall. This can help to make a more relaxed atmosphere. Remember, these times together should be fun as well as productive.

2. **LEARN YOUR RITUAL** - The ritual is what defines who and what your organization is. It is what teaches the philosophy of your organization. Learn your part first. This will inspire others to learn their parts as well. While good ritualistic work does not always equal an active York Rite or Lodge, it is sure hard to find a Lodge or York Rite Body that is active that does not have good ritualists as its officers. Good ritualists produce pride and activity.

3. **BE POSITIVE IN YOUR ATTITUDE** - Negative attitudes only inspire people who go elsewhere.

4. **SHARE THE WORKLOAD** - Don't do it all. As noted above, you will burn out, and if you are burned out, then all the work you did was probably in vain. Share the workload. Find jobs for all your officers. Utilize their talents, and match up jobs to their skills. People will return when they are doing things they enjoy.

Part 4, will discuss Increase Activity, Building Active Members.

Remember, create an image of life and success and it will be contagious.

Companions and Sir Knights

This will be Part 3 of a 4 part series. Communication may be an important part of the operation of any lodge or York Rite Body, but if you don't have someone coming to the meetings, you don't last long. So how do you get your members to attend.

Most of your members don't attend because they don't think anything worthwhile is happening or they don't have a job. Once a member begins to think this, it's hard to get them to change their mind. While you may have an uphill battle, it can be overcome.

Companions and Sir Knights, we must bring our members back and encourage them to stay and participate in all our activities. To do this, a well planned, well executed program needs to be developed. Lets' bring them back.

Membership growth and retention is a slow process. At first it may look hopeless. But persevere, and you will find it easier to build. Remember, success does breed success. Start small, publicize, be positive, and you will reap the harvest.

**Remember, equip, train and send out the troops, and they will come back with results!**

**Note: If any York Rite Bodies plan weekend festivals, Short of Time or Slow Classes, please let me know, with the date, time, location and contact person, for the Fall of 2020 and I will put it in the next newsletter, and on the website. Remember, Membership and Retention is everyone's business.**

**There is no substitute for an all-out campaign to strengthen and build our membership.**
