**MOST ILLUSTRIOUS GRAND MASTER'S
ANNUAL REPORT 2017-2018**

Most Illustrious Past Grand Masters, Grand Council Officers, Companions of this Grand Council, Honored Guests:

It has been an honor to serve as your Grand Master for this term. I have enjoyed the hospitality of the Companions while making my visits to the Constituent Councils, while at our District Meetings and on other occasions throughout this past year. My wife, Sharen, also wishes to express her thanks to all the men and women who made her feel welcome as we traveled together.

I will present my report using the following format: First, an overview of the year; next a summary of the actions I've taken as your Grand Master; and concluding with my recommendations for the future. Details of my travels, dispensations, warrants, executive orders, and other items are included as attachments which I will not read, but are available for your review in your packets. At the end of this presentation, I will answer any questions you may have.

My year started rapidly as I attended the Grand Lodge of Florida's Annual Communication the week after being installed. I made a few visitations in June and then took a vacation to Scotland. Upon my return, I began my travels in earnest. It took until April on this year, but I managed to visit 33 of the 35 Councils in Florida. We had a shared homecoming with the Grand Chapter and the Grand Commandery. I attended the Southeast York Rite Conference, three other Grand York Rite Conventions in the Southeast, the Triennial Convention, Youth Group Annual Sessions, and other Masonic events such as the Royal Order of Scotland Meeting in Tampa.

I had a rather quiet year as far as Executive Orders, Dispensations, Bylaw Changes, and other administrative duties were concerned. I processed numerous Warrants as required to fund our Grand Council during the year. While on that topic, I need to stress how critical it is for the Constituent

Councils to pay their per capita in a timely manner so we have funds in the bank to pay our Grand Council bills. Submission of annual reports and election results are vital if our Directory is to be worth the effort.

The General Grand Council Triennial Assembly fell within my term and I was pleased to represent Florida at that event; I was selected to carry Florida's flag during the public opening ceremonies. Our newly elected General Grand officers are committed to making membership in the General Grand Council valuable to us; it will take time to bring this goal to completion, but I am confident that they will succeed. We can assist that effort by continuing our dialogue with the Grand Councils in the Southeast and when asked, provide input to the General Grand office. One example of this effort is a standardized ritual which should form the basis of our Florida ritual. The General Grand Council wants us to be as consistent around the world as possible, but still allow each Grand jurisdiction to maintain unique aspects which we have developed.

Many of our Councils struggle to get enough members to open stated assemblies. I offer some thoughts which have many side considerations. Consolidating Councils may be a viable option if geography doesn't create bigger issues. This was done during my term by Bradentown and Venice Councils. A few of our Councils are doing very well and some of the actions they have taken may be transferrable to those not doing as well. We need to share good ideas. Modifying our approach to assemblies so we get away from "the standard routines" and make them worth the time and effort to attend is another method to consider. If you are not already active in the lodges in your area, get out and help them get stronger. Once you become involved, you will find opportunities to share York Rite with other Master Masons. Most importantly, numbers alone won't solve the problem; we need to have members who are willing and able to become working members of our York Rite. When I became a York Rite Mason in Tampa, there were probably a dozen in the class and they were all joining the Tampa Bodies; of my classmates, I was the only one to return more than once. All the others had something else to do; some got involved in Lodge, others at Scottish Rite, but many simply became card carriers. We must become relevant to keep current members involved and entice new members to do more than pay dues.

Recommendations:

The Grand Master is encouraged to visit all the Constituent Councils of Florida during his term in office and I would offer an idea to make the process more efficient and cost effective for the Grand Officers. I suggest that the visits be planned by district. As an example, District 3 has three Councils; if two of the three held called assemblies during the same period as the remaining one held its stated assembly, the Grand Master could visit all three during a single trip to District 3.

Before I close, I would be remiss if I didn't express my deep appreciation for the support and encouragement and love given me by my wife, Sharen. She traveled around Florida, the Southeastern States, and even to the Triennial in Portland, Oregon. We have had fun together and now can relax and get ready

for our 50th wedding anniversary celebration which will take place in December. Sharen, I couldn't have done this without your support.

Thank you, Companions!

APPENDIX A: Visitations

As noted in my report, I visited 33 of the Constituent Councils of Florida during my term as Grand Master; the two I did not visit were Ft. Lauderdale and Conch. These were planned during September when weather (Hurricane Irma) upset the schedule. I was unable to reschedule either due to various issues including other meetings on the same nights as these Councils meet.

In addition to the visits noted in my remarks, I regularly attended Turkey Creek Lodge No. 248; was active in both National Sojourner and Heroes of '76 events; presided at Suncoast Forest No. 165, Tall Cedars of Lebanon meetings; participated in numerous bagpiping activities with the Egypt Shrine Highlanders Band; served as Treasurer for the Tampa York Rite Bodies; attended the Super Excellent Master degree in Lakeland; attended several Table Councils; and was involved in eight of the ten District Meetings. I believe the Table approach at the District meetings was well received and offered some a chance to see how they are conducted. It was our hope that this would encourage more local activities in support of our charitable goals.

FINAL REPORT OF THE GRAND TREASURER
To The Grand Council of Royal and Select Masters of Florida
June 2017 through May 2018

For the Fraternal year of 2017-18 the following report covers the fiscal year.

This was the third year for Carl Gilmore as Grand Treasurer and a smooth working relationship with the Grand Recorder has been maintained. There are however several items of interest to be reported:

A. The 5% Life/Perpetual Membership Dividend was paid to all participating Chapters in early January 2018.

B. The records of the Life and Perpetual Membership program records were converted last year were improved with more information on the statement sent to Secretaries with the Dividend Check.

C. Actual expenditures for the operation of the Grand Council were well within the approved Budget, such that the Administrative Endowment Fund did not have to be tapped, even though \$6,825 was allowed

in the Budget.

D. Similarly actual expenditures for the operation of the Grand Office were less than expected, with \$2,153.73 returned to the Grand Council.

E. The Convention also made money with the support of the Souvenir Program, with \$2,818.91 returned to the Grand Council.

F. The Investment Committee has been both active and informed monthly of the two Investment Account's activity and market impacts. There has been both group and individual communication regarding the investments. The Investment Committee will have its own report for the Craft, but I can say that the Committee has been attentive to achieving the goals of the two investment vehicles.

The Perpetual Fund was able to pay the 5% dividend to the Chapters this year with only a very small reduction of Fund Value; i.e. the Fund received dividends and growth from the investments amounting to just \$664 less than the Dividend Payout to the Councils in spite of a \$12,467 payout. The Perpetual Fund has in 2017 gained 12 new members for a total of 550 members and, the fund is valued at 40% more than the total member investment. This gain is NOT a one year gain, rather represents the good stewardship of many years.

A puzzling fact is that many of the Dividend checks were slow to be cashed and as of the date of this writing, more than 6 months since the Dividend Checks were issued to the Councils, one of those Council checks has yet to be cashed.

The Administrative Endowment Fund continues to grow, gaining \$16,309 or 7.3% during this fraternal year, in spite of the poor market conditions since February 2018.

I thank the Craft for this opportunity to serve as Grand Treasurer. Copies of the Balance Sheet, Profit and Loss Statements and Perpetual Membership Investment and Payout for this year are attached herewith.

Fraternally Submitted,
M.I. Carl Gilmore, REPGC & MIPGM
Grand Treasurer

GRAND COUNCIL COMMITTEE REPORTS 2017-2018

AUDIT COMMITTEE REPORT 2017-2018

The members of the Audit Committee met at the offices of the Florida Grand York Rite Recorder, located at the Tampa York Rite Bodies building, 4210 W. Oklahoma Avenue, Tampa, Florida 33616 on Saturday March 24, 2018, for the purpose of reviewing the Grand Council Treasurer/Recorder's records for the fiscal year which began on June 1, 2017.

We reviewed the books, records, vouchers, warrants and statements and found them to be in proper order.

The committee would like to thank Grand Treasurer Carl E. Gilmore and Grand Recorder Ed Villiaume III for making themselves available and for the organized state and completeness of the records of this Grand Council.

Respectfully submitted,

John D. Pickford, RI GPCW, Chairman
Robert C. St. John Jr. MIGM, Member
Glenn E. Chandler Sr. RI GDM, Member

BUDGET & FINANCE COMMITTEE 2017-2018

The Budget and Finance Committee and pro-tem members met at the Tampa York Rite facility on March 19, 2017 to review and approve the budget which will be presented at the 2017 Grand Assembly for final adoption.

Based on information provided by the Grand Treasurer, there were some adjustments made to income, expenses, and several accounting areas. Specifically, the income was adjusted to reflect the current per-capita rate paid by approximately 2700 of our 3300 members. It was suggested that we remove most of the convention entries from the budget as these are documented within the Grand York Rite Convention Fund accounts; the exception being any surplus share of the convention fund which is distributed to the Grand Council after the convention and expenses specifically related to the Grand Council such as the "comps" for distinguished visitors and widows of our Past Grand Illustrious Masters.

I have attached to this report the latest version of the proposed budget in MS Excel and PDF formats.

Fraternally,

Robert St. John, DGM, Chairman
Carl Gilmore, MIPGM, Grand Treasurer, Pro-tem member
John Drewett, Pro-tem member

**GRAND COUNCIL ROYAL & SELECT MASTERS OF
FLORIDA COMMITTEE ON WORK REPORT
FY 2017 – 2018
Final Report**

Florida Grand Council's Cryptic year concerning work and its proficiency was not as productive as our expectations. Degrees were conferred in several districts, whose particulars were communicated by the respective Councils to the Grand Recorder (see new greetings reported by the Grand Recorder), though those demonstrating significant proficiency was markedly fewer than anticipated. Without support of instructors and District Deputies in many cases, the work has suffered.

District work demonstrated around the state this Cryptic year was outstanding. Of those festivals conducted one might question where the District Deputies were, as a number were not in attendance, this committee observed. The committee encouraged competition for the Keith W. Dean Ritual Competition Award in the portrayal of the Royal Master degree. One known Council applied for evaluation prior to December 31, 2017, an evaluation team was assigned and this one council competed for this Cryptic year, Athelstan No. 42 and was awarded the Keith Dean Award for the 2017 – 2018 Cryptic year. Development of similar competition criteria for the Select Master degree work has been discussed and taken under consideration.

Three proficiency cards were earned this year and were presented to those qualifying Companions at the convention in Lake Mary or will be presented in their respective bodies at a later date. The one Companion qualified for the circumambulation proficiency and attaining the "Silver" card this Cryptic year was John M. Lewis Gulf Council No. 29. The one Companion qualified for the proficiency in the Select Master degree Esoteric work and Lecture and attaining the "White" card with three purple stripes this Cryptic year was Dennis Barbarisi Gulf Council No. 29. The one Companion qualified for showing proficiency in the opening and closing a Council of Select Masters and attaining the "Blue" card this Cryptic year was Benjamin Gaillard of Gulf Council No. 29.

There have been no recommendations from Florida councils submitted for the General Grand Council's Ronald L. Thomas award for proficiency in any of the degrees, to include the Super Excellent degree work proficiency.

It is again the recommendation of this committee that the District Instructors program be re-introduced with a set of instructions entailing duties, to be signed by each DI committing to uphold the duties of the office before their installation and if unable to attend to those duties, it be understood that they tender resignation before it is documented on record in the proceedings as dereliction in performance of duty. This action is felt paramount to success of a viable channel of Cryptic education throughout the state. Further, continuity of the policy of “no books” excepting a prompter appointed by the presiding officer should be espoused by the incoming Grand Master and that he is fully committed to continued excellence envisioned by our preceding leaders of the Grand Council Royal and Select Masters of Florida. Additionally, district support by attendance of respective District Deputies in degree work and installations, along with conveyance of the Grand Masters use of a prompter policy is needed to make a difference.

The committee would like to thank Most Illustrious Grand Master St. John for his confidence in us and for providing an opportunity to continue to further the work within his program, under his guidance in the education and growth of Cryptic Masonry of our state. It was a privilege to serve on his behalf.

Respectfully Submitted,

Committee on Work:
MI Charles L. Hollinger, Chairman
RI Companion John Gray
RI Companion Rusty Ludlam

CONSTITUTION REVIEW COMMITTEE REPORT 2017-2018

There were no Resolutions presented at the One Hundred Thirty Fourth Annual Grand Assembly, May 22, 2017 at Lake Mary, Florida. Therefore, there were no new or amended Resolutions adopted that needed to be placed in our Constitution.

Fraternally,

R.I. John D. Pickford Grand Principal Conductor of Work
I. William Allen Sorbie Grand Conductor of the Council
I. Gene A. Lance Grand Steward

CONVENTION BOARD 2017-2018

The Convention Board consisted of the three presiding Grand Officers. Our duties included coordination with the hotel for all our activities, verifying arrangements for the distinguished guests, and conducting the Grand Session.

We believe this convention was a success. The experiment of the buffet breakfast and lunch was apparently a success and should be considered for future conventions. The hotel sponsored reception for the outgoing officers and their wives also was well received. Attendance could have been better, but those attending liked it.

The hotel staff was responsive to our needs and deserve our thanks for a good event.

Respectfully,

Robert C. St. John, Chairman
 Ronald C. Newton, Member

CONVENTION SOUVENIR PROGRAM COMMITTEE REPORT 2017-2018

The committee thanks Our Most Excellent Grand High Priest Ronald C. Newton, Our Most Illustrious Grand Master Robert C. St. John, and Our Right Eminent Grand Commander Anthony L. Griffon for the honor to serve our fellow Companions and Sir Knights on this committee. The program would not be where it is today without the work of companions A.J. Ahrens and Jack Maulden. They helped gather most ads and their work is greatly appreciated. The committee has an especial appreciation for SK David Aponte, REPGC for the wonderful cover-page artwork.

We were able to work together and grow the section for Masonic Youth ads, thanks to Dad R. Jordan “Jody” Meguir, and have continued to receive ads from non-Masonic groups. The back and inside covers continue to be sold. The Gold Supporters program has not sold very well this past year.

2017 – 2018 Sales information

Full Page Ads	45
Half Page Ads	9
Quarter Page Ads	5
Blue Lodge Ads	2
Non-Masonic	4
Gold Supporters	20
Youth Groups	33

The above ads generated a GROSS total of \$10,660 dollars for the Grand York Rite Bodies. The final cost of printing was \$3,535 dollars. The realized NET profit is: \$7,125 dollars.

The committee recognizes the following that added to the success of the program:

1. The assistance of several Companions and Sir Knights and Ladies throughout the state.
2. The very fine quality and wide distribution of past Souvenir Programs - one look and people want to be a part.
3. The willingness of Companions and Sir Knights throughout the state to mention and show the program to Blue Lodges, York Rite, Scottish Rite, and other Masonic and non-Masonic organizations.
4. The ever-growing number of ads from non-York Rite organizations such as Grotto, OES, and others.
5. The support of our Masonic Youth organizations. It is hoped this will grow an interest in our Masonic Youth by seeing their ads in this Souvenir Program.

The Committee would like to see more sales of our Gold Supporters as one page (63 names) of Gold Supporters generates \$315 in revenue. This year we had about 20 percent of previous years.

It has been an honor and a privilege to serve the Craft on this Committee and we thank you for the opportunity.

Respectfully submitted by the Committee on "Convention Souvenir Program"
Fraternally and Zealously submitted,

CRYPTIC MASON MEDICAL RESEARCH FOUNDATION, INC 2017-2018

Most Illustrious Grand Master Robert St. John, thank you for allowing me to chair this most worthy committee, Cryptic Masons Medical Research Foundation (CMMRF). A special thanks to M:I:P:G:M: Paul Friend and R:I: Glenn Chandler for continually sharing their talents in raising funds, making Florida #1 in the Nation again for the 8th time in the last 9 years. To ALL Companions a BIG thank you for your donations totaling \$30,998.63

I would like to share a little about CMMRF research:

The Indiana Center for Vascular Biology and Medicine (ICVBM) was led by Keith March, MD, PhD, a physician, scientist and cardiologist. In 2017 Dr March has moved his research to Florida State College. The ICVBM is committed to being a leader in basic as well as applied research in

understanding vascular wellness and disease, and the development of leading-edge medical therapies to improve the care of patients with vascular problems. Because blood vessels are very important in maintaining the health of and repairing almost all tissues, nearly all diseases turn out to have a vascular component involved in their origin or in tissue repair. Centering our key research on the biology of cells that form blood vessels leads to knowledge that can readily translate from one disease to many others.

 M.I. Paul Friend, Co-Chairman
 R.I. Glenn Chandler, Co-Chairman

GRAND REPRESENTATIVE PROGRAM 2017-2018

I have to the best I can, sent out communications to the representatives, requesting a report from them to which a few responded. There are 37 representatives in the USA and 19 in the other jurisdictions and 24 vacancies.

These vacancies need to be addressed and filled by those willing to be part of the program.

This has been an ongoing problem that never seems to take hold.

Thank you for the opportunity to serve the Grand Council

Zealously,

GRAND COUNCIL, CRYPTIC MASONS OF FLORIDA INVESTMENT COMMITTEE REPORT 2017-2018

To the Most Illustrious Master Grand Master and members of the Grand Council of Florida.

I am pleased to submit the following report on behalf of the Grand Council Investment Committee for the year ending 12/31/2017 and 2018 ending 4/30/2018.

The life account began 2017 with \$322,456 and ended \$338,387- a net of \$15,931 or 5%. As of April 30 we had \$329,128- a loss of \$9,259 or 3% for 2018. However, with a 50% bond portfolio we had a \$13,000 loss on the bonds in April. I have suggested to the manager that he should look at weeding out some of the long term bonds as interest rates will continue to go up.

In the administrative account we began 2017 with \$207,932 and ended on 12/31/2017 with \$239,510 for a net of \$31578 or 15%. As of 4/30/2018 we had \$236,728 for a loss of \$2,782 or 1%, so far this year. The market at one point this year, the market was down 11% and now is basically flat. Overall, we are still up 2% in the life account and 14% in the administrative account since January 2017 so we are still on solid ground considering the volatility in the overall market.

I would like to thank John Sivoletta and his staff for managing our accounts and on the behalf of all the members of the Investment Committee, thank you for the opportunity to serve.

Faternally,

John "Jud" Powell
Glenn Chandler
Paul Friend

YOUTH COMMITTEE REPORT 2017 – 2018

The Most Excellent Grand High Priest (MEGHP) Ronald Newton continued raising funds for the Masonic Youth this year. He designed, ordered and together with the support of the General Membership sold 300 coins. This money added to the existing money will enable him to present a \$4,000.00 check to each Youth Group at our Annual Convention. Per his direction, he will present it to the State Advisors of each of the groups: Rainbow for Girls,

Jobs Daughter and DeMoley. The full \$4,000.00 will then be dispersed equally to each of the Subordinate Bodies. The long term effect of supporting our youth will assure the greatest reward for them and consequently the future of York Rite Masonry.

This committee would like to officially thank MEGHP Ronald Newton and the entire General Membership for their support of this effect. We would also like to thank MEGHP Ronald Newton for allowing us the opportunity to serve the craft.

Fraternally,

He subsequently moved to Florida in the 1970s. Despite earning a BA from University of Nebraska, Richard was an avid FSU fan and served on the Board of Directors of the local FSU Booster Club for many years.

Richard served his country in the US Army from 1966 to 1984, earning a Bronze Star during his combat tours in Vietnam. He also commanded the local US Army Reserve Company. In the 1970s, he served as a congressional aide to both Florida state Senator Mallory Horne and U.S. Congressman Earl Hutto.

He was past Worshipful Master of Bay Lodge No. 337 and held countless leadership positions in the York Rite Bodies, the Scottish Rite, and multiple affiliated Masonic orders. His Masonic honors included serving as Past Grand Master of the Grand Council of Royal and Select Masters of Florida, Grand Treasurer of the Grand York Rite Bodies of Florida, and Secretary/Recorder of his local York Rite Bodies.

In 2016, Richard retired from his work as a field underwriter for Florida Farm Bureau. Committed to public service, he served as past President of the St. Andrew Kiwanis Club and was honored with a George F. Hickson Fellowship.

Richard was a true gentleman who loved his family, Freemasonry, FSU, golf, and service to the community. He is survived by the love of his life for the past 34 years, his wife Judith Deal Harris; his four children, Mark Foreman (Paige), Robin Foreman Webster (Jay), Todd Foreman (Kristin Hess), and Tara Harris, MD (Jaime Espinoza); his grandchildren Shane, Cody, Nick (Amanda), Jarod, Jayson, Jayni, Jaycee, Reider, Caia, and Nina; his great-granddaughter Aubrey; his two sisters, De Santapola (Sal) and Glenda Henkel (Dick).
