

MASONIC RELATIONS AND BLUE LODGE REPRESENTATIVES COMMITTEE REPORT 2020-2021

Having visited 26 of our chapters this year, I have discussed with each, the importance of improving our close association with the Blue Lodges in our areas. I find that many of our Chapters have improved their participation and assistance to the Blue Lodges. Our Lodges are the back bone of the York Rite. Several, of our York Rite bodies participate in the Lodge Representative Program, providing information and being a visible acknowledgement to the Lodge that the York Rite will bring further light to their Blue Lodge Education. Several Chapters have performed the Fervency and Zeal program and the circumambulation. They have been very successful in bringing new petitions into our Membership. Many of our Lodge Representatives are also members of the Membership Committee of their respective bodies, which adds to the building of both Blue Lodge and York Rite.

I would like to thank the Excellent Grand High Priest for appointing us to this important committee.

Fraternally,

*Henry A. Adams, Chairman
Charles G. Harper II*
