

HOLY LAND PILGRIMAGE

For the 2020-2021 year, the annual Holy Land Pilgrimage trip was cancelled due to Covid 19 travel restrictions for the safety of all involved. During the planning of the year, there were four Districts that reported they had selected ministers for the program to be funded by either their Commanderies or Districts. No applications were submitted to this Committee for the consideration of funding for the program by the Grand Commandery.

It is the recommendation of this Committee that all Commanderies or Districts that had previously interviewed and chosen ministers to travel during the 2020-2021 year follow up with those ministers and continue their plans to send them during the 2021-2022 year as well as continue with plans to send new ministers if they have the ability just as they would for the upcoming year. We encourage all Commanderies to continue working toward sending ministers to the Holy Land and growing this program.

This Committee thanks the REGC Brett Gordon for the ability to serve this Grand Commandery in this capacity for the year.

Courteously and Respectfully Submitted,

Adam M. Bryan, VEDGC Chairman
Rusty Ludlam, EGCG
Sir Knight Jack Holloway
