

KNIGHTS TEMPLAR EDUCATION FUND COMMITTEE COMMITTEE REPORT 2020-2021

The Knights Templar Education Fund has not provided any grant money since 1998. In 2013, the Right Eminent Grand Commander Adams requested that the committee be dissolved through the Legal Advisor, that was not accomplished. The current Right Eminent Grand Commander Gordon, has again submitted a resolution to dissolve this committee. It has tentatively been approved by the Jurisprudence Committee and will be presented to the Craft at the next Grand Conclave in May in Lake Mary, FL.

I would like to thank Right Eminent Grand Commander Gordon for appointing us to this important Committee.
