

Right Eminent Grand Commander and Sir Knights,

The 12 Florida State Supplements for the Knights Templar magazine were done as planned and for the most part, timely. The Grand Commander submitted copy for all 12 articles, the State Editor submitted formatted newsletters to the printer, for a portion of the year, in a timely manner and maintained creative freedom to communicate the goals as directed by our Right Eminent Grand Commander. Starting in September, we began submitting the articles to Dan Pushee for display on the web. This process improved the quality of our articles, by removing printer deadlines and making them more current in context.

The Right Eminent Grand Commander had clear goals and despite the pandemic, worked diligently to communicate and successfully achieve them. The REGC states he feels they were met by our constituent commanderies. Sir Knight Sheldon Arpad and I have already discussed plans for the upcoming year and expect great things to continue.

I wish to personally thank the following Sir Knights for their impact on me personally and in no particular order, but all of equal importance;

AJ Ahrens, Jeff Sklett, John Wermann, Brian Manne, Paul Ipolitto, Cory Underwood, Jeff Munz, Kirk Hinote and Tanner. Some great men, Bruce Reinartsen one of them, passed to that undiscovered country from whose borne no traveler returns. I look forward to our seeing these companions again and know they will be there.

I also thank Sir Knight Dan Pushee, without whom it wouldn't be, for his support and patience.

In Hoc Signo Vincas,
S.K. Gary R. Roane
