## **Grand Commanders Report**

To the Officers, Members and Guests of the Grand Commandery of Knights Templar of Florida:

Fraternal Greetings and Welcome once again to Lake Mary, Florida and to the 128th annual Grand Conclave of the Grand Commandery of Knights Templar of Florida. I give a special welcome to our visiting dignitaries, especially Sir Knight Robert Waldron, Right Eminent Department Commander for the Southeast, and Sir Knight David Goodwin, Most Eminent Past Grand Master and representative for Sir Knight David Kussman, Most Eminent Grand Master of the Grand Encampment of Knights Templar, USA.

In May 2021, at the 127th Grand Conclave, after election and installation to this office, I set out on the journey before me. I started off as many have before me with many plans and ideas in mind. Even after spending several years planning for what will or may be ahead, it is still a humbling experience once you are installed, and plans begin to be implemented. One of the plans that I made for this year was to personally visit every Constituent Commandery within the Grand Commandery of Florida. I am happy and proud to say that I have accomplished this goal. This is not meant as a pat on my own back but to make a personal connection to the Sir Knights of Florida, as well as to see them work in their own Commanderies. In previous years, we have held either Regional or District Meetings, which while accomplishing the work set out for those meetings, seemed to be mostly business, too impersonal, and usually attended by those required to attend with a few others here and there. I felt that there was a disconnect between the Constituent Commanderies and the Grand Line Officers. We are here to serve the Grand Commandery, and we cannot do that if we don't know what the Commanderies need.

### **STATE OF THE ORDER**

After the events of the previous year, with the pandemic, many Commanderies were left shaken. Many have lost members due to illness. Many members were still taking heavy precautions to prevent the spread. While this was good for the general health of many, it also had the unfortunate side effect of slowing the progress of the Commanderies and hindering growth. Attendance numbers were down and many Commanderies early on were limited to business only meetings. As the year progressed though, Commanders began reaching out to their membership inspiring them to attend if health permitted. The Commanders also started working together more and asking for help with the work instead of trying to take care of everything on their own. They found that by working together things were a little easier.

Many of the Districts held combined Festivals, making it easier to build a cast as it allowed for a larger pool of cast members. It also allowed for more candidates to receive the Orders in a centralized area, thus making travel requirements to multiple locations for both cast and candidates decrease. The Tactics of opening and closing a Conclave have also started to be practiced with a renewed fervor as the Commanderies are starting the process of rebuilding and renewing their membership now that they are less limited by the heavy restriction of the previous year and interest is returning with great enthusiasm. Many of the Commanderies are doing very well with the work. There are still a few Commanderies that need improvement. Don't be afraid to ask for help. Sometimes all that is needed is a little motivation to kick start progress. There are many Sir Knights that are willing to travel and assist that are only a phone call or email away that don't know help is needed unless they are made aware of it.

This year has been a very interesting one. I made it a point to focus as much attention on the Constituent Commanderies as I could with work and personal life permitting. I made Official Visitations to the Commanderies, asked questions on what the Sir Knights needed from the Grand Commandery Officers and their Grand Commandery. I

received good input and questions in return. I made sure to attend many of the Christmas Observances and Installations as I was able as these are very important to the Commanderies. Christmas, Easter and Ascension Day Observances are important celebrations of our faith that should be organized and carried out by every Commandery, whether individually or jointly. I felt it was also important that I attend as many Installations of Officers as possible or to have another Grand Line Officer present at the Installation because the new Eminent Commanders and Commanderies need to know that they have our support, and we are here for them and what they need.

I was only able to attend a few functions outside of state, but they were interesting and informative. I represented the Grand Commandery of Florida at the 68th Triennial Conclave of the Grand Encampment, the Southeastern Department Conference in Mobile, AL, as well as the Grand Conclave of the Grand Commandery of Alabama. I was invited by the Grand Commander of Georgia to attend the inspections of three of their southern Commanderies which was a great experience, and at the time of the writing of this report, I am looking forward to attending the Grand Conclave of the Grand Commandery of Georgia. I also attended the Special Conclave of the Grand Encampment in Fort Wayne, Indiana. Though it was unfortunate that the Special Conclave was needed, it was important that matters were handled with due process and the issues were resolved quickly and correctly according to the Constitution and Statutes of the Grand Encampment and the decisions of the voting delegates present.

### **RECOMMENDATIONS**

Throughout the year, as plans are executed and business is transacted, it becomes apparent that there is always room for improvement.

To the Commanderies: In gaining new membership, be sure to reach out to all the Lodges in your Jurisdiction. There is no such thing as a "Tapped out Lodge". If you are assisting your Lodges, you are aware of any new potential that is coming in. Our

membership comes solely from the Lodges. I'm unaware of any Lodges that 100% of the members are also York Rite Masons so there are opportunities out there. Let them know that we are here to work with them, not to supplant them. While new membership is important, current membership is equally important. Work on educational programs that will keep them interested and inspired. Reach out to inactive members as well to see what you can do for them and how you can get them to start coming back. Sometimes all it takes is a nudge in the right direction or an invitation to attend.

To the Recorders: Be sure to stay up to date on MMS. If the orders are conferred on new membership, you have 15 days to input them into MMS. This is very important. New members cannot receive their Knight Templar Magazine or get their Grand Encampment dues cards to them until this is done. Per Capita is also calculated on your membership in MMS including Deaths, Demits and Reinstatements. It is very important that these numbers are correct.

To the incoming Grand Commander: It's always a good idea to have the District Instructors work in unison with the Committee on Work to improve the distribution of information to the Commanderies concerning the Tactics. Good work will always improve with good instruction. Another recommendation is to have the Investment Committee stay on top of the changes in our investments. While the investment gains may be doing okay, it is always good to reevaluate our standings as the market fluctuates.

### **CONCLUSIONS**

To Most Excellent Grand High Priest Robby Robertson, Most Illustrious Grand Master Allen Sorbie, and Most Worshipful Grand Master Jeffery Foster, it has been an honor working alongside you. It has been a very enjoyable year for me as I believe it has been for you as well. A long time back I learned that

in any endeavor, you have to have fun doing it or it is just not worth it. You, my Brothers', have made it worth it more than you can know.

To the Grand Line Officers, District Deputies, District Instructors, and Committeemen, I wish to thank you for the job you have done. Your assistance throughout the year is what makes things less difficult for the Presiding Officer.

To the Sir Knights of the great State of Florida, you have made me feel welcome in every Commandery I have sat in Conclave with. Any call made for assistance in any form has been answered. It has truly been an honor to serve with each of you. Continue to keep up the hard work and dedication to the Craft that you have shown this year.

A special thank you to Sir Knights Carl Gilmore, Marvin Gerhard, Bob Burleson, and Paul Friend for all the endless phone calls made, emails sent or text messages sent at all hours of the day or night looking for assistance, advice or just to talk. Also, to my almost constant traveling companions Rusty Ludlam and Thomas Metcalfe, for keeping me awake on my travels, keeping things interesting and making sure we all made it home at the end of the day. I know I am missing several others that were instrumental in helping but rest assured that your help was indeed appreciated.

Finally, but most important, to my wife Kieran, and my children Avery and Avonlea. You are my rock. I know that my travels throughout these last few years have been extensive and sometimes stressful. Without your support and understanding, none of this could have been possible. You have been there though the good times and the bad. You have always been there by my side with good advice, asking me if there is anything you can do to help, or helping me plan. You are my foundation, and I am eternally grateful to have you in my life, leading me down the right paths or standing with me, to support me, when I err.

Once more, I thank you all for the support, and I look forward to many more years of success and growth within the Grand Commandery of Knights Templar of Florida.

### **Report of the Grand Treasurer**

The Right Eminent Grand Commander operated within his budget during his term and should be commended for good management of his resources. Again, this year, it was not necessary to use any of the Administrative Fund earnings, so those assets remained invested. Unfortunately, the downturn in the market did impact the overall financial status of the Grand Commandery, but since we didn't draw from the Administrative Fund, the impact has been deferred. Looking at the Grand Commandery accounts from a cashflow perspective, we spent \$5,981.85 more than we received. Two major contributing factors were a penalty assessed by the IRS for \$2300.00 (which we are disputing) and \$3000.00 for the Triennial ( \$2300.00 of this amount was covered by

transferring funds from the Triennial liability account in the Balance Sheet). As noted last year, the per capita income received during this term is reflected in cashflow but doesn't give a true picture of income since it is carried forward as income for the 2022-2023 budget.

I have attached the May 31, 2022, Balance Sheet; the 1 June 2021-31 May 2022 Income Expense Summary Report; and the 2021-2022 Approved Budget versus Actual Report.

I wish to thank the Grand Council Assembly delegates for re-electing me as Grand Treasurer. I will continue to serve and am honored by the confidence the Companions have entrusted in me to manage the finances of this organization.

Fraternally,

Robert C St John, Jr, KYGCH  
Grand Treasurer

### Grand Recorders Report

This report is NOT the direct words of our elected and installed Grand Secretary/Recorder Richard Brooks. Richard, as most of you know, passed this life on July 31<sup>st</sup> of 2022 and before he had penned his report for the year that ended on May 31<sup>st</sup> of that same year. Thus, this report is largely the work of his replacement Grand Secretary/Recorder, Carl Gilmore and is intended to as accurately as possible summarize Richard's work.

The GYR office produced the Proceedings of 2021 within the proscribed time frame and was properly distributed soon after the 1<sup>st</sup> of October 2021.

Similarly, Chapter and Council dues cards were produced and sent to local Secretary/Recorders soon after the Proceedings were sent.

We continue to update the website with pertinent information and forms. I would like to thank ME Arthur Ahrens for all his exceptional work in maintaining flgyr.org. His dedication has allowed us to make the website easier to navigate.

Proposed per-capita statements for the local Bodies were produced and sent right after the 1<sup>st</sup> of January 2022. Completed filings and payments were received and paid over to the Grand Treasurer. A report of all such payments, or rather failure to pay, is encompassed in his report.

A Directory was produced and was distributed at the Grand Convention of May 2022.

All proposed regulatory changes were advertised on the GYR website and were considered at the Grand Convention.

Other preparations for the Convention, i.e. Reservations for meals, Delegate lists, Visitor accommodations, voting preparations, etc. were completed and the Convention proceeded smoothly.

RE & RI Brooks laid down his earthly working tools prior to any significant work being completed on these Proceedings. His efforts to make improvements to the Florida Grand York Rite Office and his dedication to the job, are both well known and exemplary. He is missed.

Fraternally,

Carl E. Gilmore  
Grand Secretary/Recorder

**Audit Committee**

No Report Received

**Committee on Work**

No Report Received

**Constitution, Laws, & Regulations**

Lake Mary, Florida

The Committee was called to order by Sir Knight Robert E. Burluson, REPDC, Chairman, at 9:55 a.m. with the following Committeemen present:

Sir Knight Carl E. Gilmore, REPGC  
*Sir Knights Marvin W. Gerhard, REPGC, and Paul W. Friend, REPGC, were excused.*

Also present were:

Sir Knight Adam M. Bryan, REGC  
Sir Knight Sheldon Arpad, VEDGC  
Sir Knight Rusty M. Ludlam, EGG  
Sir Knight William G. Ellis, Jr., REPGC  
Sir Knight A. J. LaRose, REPGC  
Sir Knight James T. Mason, REPGC

Following an opening prayer and Pledge of Allegiance, the Chairman explained that the purpose of the committee was to *review and determine if resolutions submitted to change the Constitution, Laws and Regulations of this Grand Commandery 1) conform to the regulations of the Grand Encampment of Knights Templar of the USA; 2) do not conflict with other current regulations of this Grand Commandery; and 3) are clear and concise (not ambiguous) and, otherwise, beneficial to the administration of this Grand Commandery.*

He further stated that before addressing the business before it, the Committee would need a ruling from the Jurisprudence Committee that the resolutions presented were in proper form and submitted on time. Sir Knight Carl E. Gilmore, Chairman of Jurisprudence, said the resolutions were in order.

The committee then proceeded to discuss each resolution on its merit. Following the discussion, the committee agreed that all the resolutions should be presented to the Grand Conclave (except 2022-08 which was a duplication and was withdrawn).

The business of the Committee having been completed and following a closing prayer, the Committee was adjourned at 10:15 a.m.

### GRAND COMMANDERY OF FLORIDA INVESTMENT COMMITTEE REPORT 2021-2022

The investments under the oversight of the Investment Committee are maintained by our investment advisers at Johnson Investments, and presently total \$700,867 as of 31 March 2022, up from \$680,407 a year ago. This represents a 3.01% NET increase in Grand Commandery invested assets, even after the required 5.00% payout on Perpetual membership funds, and even after the February and March 2022 losses. These dollars are broken up into three portfolios:

Administrative Account - The first portfolio is the Administrative Account, also sometimes referred to as the General Fund. As of 31 March 2022, the total value was \$360,470 – vs. \$345,193 a year ago, for an increase of \$15,277, or 4.43%, even after the decline in values experienced during the months of February and March of this year. This account has a target investment mix of 60% equities, and 40% bonds and other fixed instruments.

At 31 December 2021, the total value of this account was \$385,404, vs. \$336,413 at 31 December 2020, for an increase of \$48,991, or a 14.56% investment return. It is significant to note that our governing documents allow 75% of this annual increase to be included in the Budget for the following year, which could currently increase our available funds for charitable and necessary operating expenditures by \$36,743.

The original primary goal of the Administrative Account was to put the Grand Commandery in a position to be able to place less reliance upon Per Capita increases in the future, as this Fund grew. Instead of using these funds as originally intended, the funds have been allowed to accumulate over the years, while significant Per Capita increases have been recommended and approved in recent years. During this past year, a total of \$Zero was paid out of this Fund account.

Life and Perpetual Account – The second portfolio is the Life and Perpetual Account, often referred to as the Sacred Fund. As of 31 March 2022, the total value was \$286,946 – vs. \$286,888 a year ago, for an increase of \$58, - even after the decline in values experienced during the months of February and March of this year; and, even after the payout of the 5.0% annual perpetual payments to each subordinate Commandery having Perpetual members. This account had a target investment mix of 60% equities, and 40% fixed-rate securities.

At 31 December 2021, the total value of this account was \$303,101, vs. \$283,439 at 31 December 2020, for a net increase of \$19,662, or a 6.94% NET investment return, after the required 5% perpetual fund payout.

Rosenthal Account – This Restricted account earned interest and dividends totaling \$240.11 in 2021, which is available for current spending by order of the Grand Commander.

We would like to take this opportunity on behalf of myself and the other members of the Investment Committee to thank RE Grand Commander Adam M Bryan for allowing us to serve.

Courteously and Fraternally,

Wm. Lee Popham Sr., Chairman  
Charles L. Hollinger,  
David Rosenthal

## **Jurisprudence**

The Grand Commandery of Knights Templar of Florida  
on the Actions of the Right Eminent Grand Commander- May  
2022

Rev 5/15/22

To the Grand Commandery of Knights Templar of Florida:

The Grand Commandery Jurisprudence committee met on May 15th at the Convention Hotel to review the actions pertaining to the Warrants, Directives, Edicts, Executive Orders, By- Law Revisions, Dispensations and Special Circumstances acted upon by the Right Eminent Grand Commander, Adam Bryan as well as the Addendum to report covering the 40 days from the original report until the current date. In addition, 17 proposed resolutions were reviewed for conformity to form and submission dates for further review by the Constitution and Regulations Committee.

The below committee members closely examined the actions taken by our Grand Commander and determined that all of his actions were within the purview of his office. Further, the Grand Commander worked within his Budget constraints and represented the Grand Commandery with a great deal of travel, including not one, but two Grand Encampment Conclaves. In addition, he provided substantial Ritualistic instruction in cooperation with the two other Grand Presiding Officers.

Three Directives, 1 Executive Order, 16 requests for dispensation 5 requests for bylaw amendment and 16 warrants (#2 missing, but not utilized) were reviewed. It was determined that all were acted upon properly and within his authority.

Of the 17 proposed resolutions presented, one was determined to be a duplicate and was withdrawn by the submitter.

The committee determined that all actions taken by the Grand Commander were acted upon in a timely manner, each properly received and bearing official stamps of the Grand Recorder and Grand Commander.

The Grand Commander's report was properly received by the committee chairman forty days prior to the date of the Convention.

The committee commends the Grand Commander for having the stamina to complete his term and having faithfully discharged the office of Right Eminent Grand Commander. We thank him for the honor and privilege he has provided us to serve the Grand Commandery.

Respectfully and Fraternally Submitted,  
Carl E. Gilmore, Chairman, REPGC

### **KT Magazine Editor**

Right Eminent Grand Commander and Sir Knights,

The 12 Florida State Supplements for the Knights Templar magazine were done as planned and for the most part, timely. The Grand Commander submitted copy for all 12 articles, the State Editor submitted formatted newsletters to the printer, for a portion of the year, in a timely manner and maintained creative freedom to communicate the goals as directed by our Right Eminent Grand Commander. Starting in September, we began submitting the articles to Dan Pushee for display on the web. This process improved the quality of our articles, by removing printer deadlines and making them more current in context.

The Right Eminent Grand Commander had clear goals and despite the pandemic, worked diligently to communicate and successfully achieve them. The REGC states he feels they were met by our constituent commanderies. Sir Knight Sheldon Arpad and I have already discussed plans for the upcoming year and expect great things to continue.

I wish to personally thank the following Sir Knights for their impact on me personally and in no particular order, but all of equal importance;

AJ Ahrens, Jeff Sklet, John Wermann, Brian Manne, Paul Ipolitto, Cory Underwood, Jeff Munz, Kirk Hinote and Tanner. Some great men, Bruce Reinartsen one of them, passed to that undiscovered country from whose borne no traveler returns. I look forward to our seeing these companions again and know they will be there.

I also thank Sir Knight Dan Pushee, without whom it wouldn't be, for his support and patience.

In Hoc Signo Vincas,  
S.K. Gary R. Roane

The committee thanks our Most Excellent Grand High Priest, James F. Robertson; our Most Illustrious Grand Master Wm. Allen Sorbie; and our Right Eminent Grand Commander Adam M. Bryan for the honor to serve our fellow Companions and Sir Knights on this committee.

Happily, most of our ads this year came from our York Rite Bodies and York Rite organizations throughout the state. Their support and creativity are greatly appreciated. The committee has an especial appreciation for S.K. David Aponte, R.Em.P.G.C., for the wonderful cover-page artwork. David Aponte is currently serving as Most Excellent Grand High Priest of the Grand York Rite of Washington State.

Unfortunately, we received no ads from our youth groups this year, and our Gold Support program is down considerably from previous years. In fact, all our gold supporters are from District 10.

The above ads generated a gross total of \$9,600 dollars for the Grand York Rite Bodies. The final cost of printing was \$1,800. The realized net profit is \$7,800. This net profit is greater by \$2,200 from last year.

The committee recognizes the following that adds to the success of the program:

- 1.The assistance of our District Deputies throughout the state. Each District is represented in this Souvenir Program. Districts 3, 6 and 10 had 100 percent participation of their York Rite Bodies!
- 2.The fine quality and wide distribution of past Souvenir Programs – one look and people want to be a part.
- 3.The Souvenir Program is now published for download on our Grand York Rite website. This should allow much greater visibility and encourage more participation.
- 4.A very special thanks to our Grand York Rite Secretary/Recorder, Richard Brooks as he helped greatly with bringing commercial organizations to add to our Souvenir Program.
- 5.Thanks to our Grand York Rite Treasurer, Robert St. John, for finding a way to streamline and improve our method of making checking deposits.

It has been an honor and privilege to serve the Craft on this committee and we thank you for the opportunity.

Respectfully submitted by the Committed on the Convention Souvenir Program.

### **Inspector General Report**

It is clear that the effects of the COVID pandemic continue to impact the ability and/or willingness of the Sir Knights of Florida to participate in our competitions for the Jesse E. Ramsdell and the Richard John Carr Trophy.

This year I congratulate and award the Jesse E. Ramsdell Trophy to Ft. Pierce Commandery No. 17, and the Richard John Carr Trophy to St. Elmo Commandery No. 42.

The Eminent Commanders and Knights of these Commanderies are to be commended for their fine work and dedication to Templar Masonry in the state of Florida. It is through their example that others may be inspired to participate, and when that occurs, we all win.

I wish to express my gratitude to Sir Knight John Gray for his guidance and support this year as we continue to maintain continuity in the grading system for these competitions.

John Donohoo

Inspector General, KYCH, KTCH
