

Companions:

i have been asked on behalf of the other 2 heads of the bodies to put out this letter on their behalf and also mine to let you know that we hope you are all safe and well. Since its all the York Rite we ask that if you need any assistance, please let us know by contacting us. We are here to help in any way we can. If you are having trouble having a monthly meeting on account of damage, you may pick another location to have it and apply for dispensation. That should make it all legal. Anyway, let us know if we can help out in anyway. We are aware of the severe damage from Venice on down to Ft. Myers. Sheldon Arpad has severe damage and is currently on his way to West Palm. He has no way of communicating with you other than his mobile phone. 239-357-3018. John Greys mobile or phone is 850-902-0537. My home phone is 941-726-2075 or 941-264-7966 mobile number. Let us know how you are doing. With God's grace we know we will get through this together.
